

ONE DAY AWARENESS WORKSHOP  
ON  
INTELLECTUAL PROPERTY RIGHTS ON THE OCCASION OF IPR DAY  
CELEBRATION

## Stress laid on intellectual property rights on WIPD

**ITANAGAR, Apr 26:** World Intellectual Property Day was celebrated today in Rajiv Gandhi University campus, jointly organized by the Arunachal Pradesh State Council for Science & Technology (APSCST) and RGU.

Chief Secretary of the state Satya Gopal, IAS as chief guest highlighted the importance of Intellectual Property Rights and the need for a sound scouting mechanism for finding out the young inventors, pathfinders, pioneers and innovators of Arunachal Pradesh. He also highlighted the richness of the state's biodiversity and urged upon

to file Geographical Indicator (GI) tag of all the unique horticultural & agricultural products and unique designs of traditional costumes and handicrafts of the state.

RGU Vice Chancellor Professor Saket Kushwaha also stressed on a strong mechanism for promoting Intellectual Property Rights among the scholars and researchers of the state. The achievements and activities of the Patent Information Centre (PIC) under the aegis of APSCST was highlighted by its Director-cum-Member Secretary C. D. Mungyah who urged upon the faculties and

students of RGU to come forward to file more patents/GIs in coming years.

RGU Registrar, Dr. Tomo Riba, the Director, IQAC Professor A. Mink, Organising Chairman Professor D. D. Das, HoD, Physics, Professor Sanjeev Kumar, Head, Science & Technology Division, Assam Science Technology & Environment Council, Dr. B. K. Barman, various patent attorneys, faculties, students and others were present.

A day-long awareness workshop on Intellectual Property Rights was also organized during the occasion.  
RGU Press Release

## Intellectual Property Rights Day celebrated at RGU

**ITANAGAR, Apr 26:** A day-long awareness workshop was today organized to celebrate the Intellectual Property Rights Day at the Rajiv Gandhi University (RGU) campus by the Arunachal Pradesh State Council for Science & Technology in collaboration with RGU.

Gracing the occasion, Chief Secretary Satya Gopal highlighted the importance of In-

tellectual Property Rights and the potential of youngsters in Arunachal Pradesh in the field and said that the only thing that was required was to establish a sound scouting mechanism through which we can easily trace, scout and find out the inventors, pathfinders, pioneers and innovators in the state.

He also highlighted the richness of biodiversity of Arunachal Pradesh and

urged to apply for getting Geographical Indicator (GI) tag of all the unique horticultural, agricultural products and unique designs of traditional costumes and handicrafts.

RGU Vice Chancellor Prof Saket Kushwaha, in his address, stressed on having a strong framework for promoting Intellectual Property Rights among scholars and researchers. *Contd. on P-2*
