Patients discharged after recovery

Detected in Itanagar

Pasighat hospital

...sts, four are from East Siang district and two Itanagar Capital Complex (ICC). According to official sources, two of the discharged in East Siang are front-line workers and the other two are returnees. Local legislature Kaling

Moyong, while interacting with each of them, lauded their positive spirit, handed a discharge certificate and bouquet to one of the discharged persons.

He credited the hard work and care of the doctors, nurses and other support staff and all frontline workers.

"We all have to adapt to the post-Covid situation by strictly following preventive measures of social distancing, avoiding gatherings, wearing masks and cleanliness and hygiene to keep the virus away," he said.

East Siang deputy commissioner Kinny Singh, who also (Cont. P.3)

Armed forces told to forcefully deal with Chinese aggression along LAC

NEW DELHI, Jun 21: The armed forces deployed along the 3,500-km de-facto border with China have been given "full freedom" to give a "befitting" response to any Chinese misadventure, government sources said after Defence Minister Rajnath Singh reviewed the situation in eastern Ladakh at a meeting with the top military brass on Sunday.

The meeting was attended by Chief of Defence Staff Gen Bipin Rawat, Army Chief Gen MM Naravane, Navy Chief Admiral Karambir Singh and Air Chief Marshal RKS Bhaduria.

India has already

mobilised fighter jets and sent thousands of additional Army troops to forward locations along the border with China after 20 Indian Army personnel were killed in a brutal attack by Chinese troops in eastern Ladakh's Galwan Valley on June 15.

The clash in Galwan Valley, the worst cross-border violence in 45 years, significantly frayed ties between the two countries, with Prime Minister Narendra Modi sending a strong message to China that India wants peace but if provoked, India is capable of giving a befitting reply.

In the meeting on Sunday, Singh told the top military

officers to maintain a strict vigil on Chinese activities around the land border, the airspace and in strategic sea lanes, the sources said.

Following the Galwan incident, military sources said Indian troops will no longer be bound by the long-held practice of not using firearms in faceoffs.

The armed forces were told to be fully ready to give a befitting reply to any Chinese misadventure, the sources said, adding a "tough" approach is being adopted to guard the border.

Seventy-six Indian soldiers were also injured in the Galwan Valley clash, China's (Cont. P.3)
